Hello parents and players,

Welcome to the 2010 Tesoro lacrosse season! After playing lacrosse at Tesoro when the team first began, I am honored to return to the program as head coach. Lacrosse has been a part of my life since elementary school. It has taught me the value of effective communication and teamwork.

I am looking forward to working with this talented group of athletes and continuing to improve Tesoro's lacrosse program. Our success depends on time and effort committed by each member of our team. Every girl has something important to offer- I can't wait to see what it is!

I encourage you to approach me with any questions or concerns you may have.

Get pumped for a great season!

Sincerely,

Meredith Weber

Welcome to the Spring 2010 Tesoro Lacrosse Season! I could not be more excited to get things going this year. The boy's lacrosse program is at a pivotal stage of its existence and is on the verge of becoming a powerhouse over the next few years. We will be a strong, and generally young, program this year. Never before have we had half our program consist of freshman (9th - 49%, 10th - 23%, 11th - 18%, 12th - 10%). Every player will contribute to the present and future of the program. We will have fun; learning, working hard and improving on a daily basis. The love and passion of the game will flourish to the highest of levels this year for everyone involved in the Tesoro Lacrosse Community. We will be recognized by our peers for growing the SPIRIT of the game both on and off the field! By reading this and registering, you are already part of making this happen. Embrace it!
